Hi Jim, D'Maris and Adrian,

I have been commissioned to write an article on the skills shortage in the construction industry for the Bartlett Review 2017, and you have each been recommended as interviewees for the piece.

Please could you let me know when you are available for a phone interview over the next couple of weeks?

I can do today; Monday, Tuesday and Thursday next week; and Thursday (20th) and Friday (21st) the week after that.

Also, if you have any research/background material that you would recommend/like to speak about, please send that to me in advance of our conversation.

Niamh – in addition to speaking to Jim, D'Maris and Adrian, I would also like to speak to a couple of speakers at the autumn C&PM conference – ideally Paul Morrell and Adrian Harvey-Francis from Skanska. Are you able to put me in touch with these?

Thanks,

John.
